2010-2011 JHA Barrel Series Rules

Please read carefully.

Riders will provide proof of age by birth certificate or drivers license. Late entries will not be accepted once class has started. Payment is due at time of entry.
- 2.) A rider may ride more than one horse for jackpot, but only one horse/one rider per show. A second horse can be ridden for exhibition only at the end of each class. Rider must designate which horse will accrue points at the beginning of the barrel season. Family members living under the same roof can ride same horse in individual class. Horses or ponies led through the pattern will receive a participation ribbon for that show, but will not accrue show points.
- 3.) Inclement weather will result in cancellation of the show. Time and date of the make up show will be determined at the following JHA board of directors meeting or special meeting by the barrel committee. If all divisions finish three events, it will be a complete show with no money returned.
- 4.) Proper show attire required for show at all times. No exceptions! Shirts without sleeves must have collars. No midrifts or halter tops. Shirts must be buttoned and long enough to be tucked into pants. Full lengthed pants and proper foot attire must be worn. Helmets are mandatory for all riders under eighteen years of age both in the ring and outside the ring while on horse.

- 7.) Riders will have a sixty-second gate call to get their horse in the arena. The gate call is from the time the riders name is announced to the time they go through the gate. Riders who miss the pattern or knock down a barrel or pole may complete the pattern for practice purposes only. If a rider intentionally knocks over apparatus, points will be forfeited for that event. Once a pattern is set and class has started, pattern cannot be altered. Only after a knock down can a barrel or pole be realigned.
- 11) Year-end awards presented to top 3 riders in each of the five divisions. In the event of a tie, a run-off will be held at the end of the last show.
